Form 990, Part III, Line 2: In FY16 the Foundation expanded with three new programs:

FutureMap, Cultural Bridges and Elementary Art Docent Program. FutureMap connects the business

community to our students providing access to internships, speakers, job shadowing and career

experts. Cultural Bridges helps families overcome language barriers and empowers them to

become part of our community while helping their kids be successful in school through

outreach, events, mentoring, translation services and magazines. The Elementary Art Docent

Program supports a coordinator who trains the volunteer docents and provides curriculum for

their lessons.

Form 990, Part VI, Section B, Line 11: The 990 is first reviewed by the Finance Committee and

then presented to the full Board for review prior to filing.

Form 990, Part VI, Section B, Line 12: The directors and employees are required to review and

sign the conflict of interest policy at the start of their employment or Board term and again

annually at the start of each fiscal year. If a director or employee believes that he or she

has a conflict of interest, the director or employee must report the conflict to the Executive

Committee. Upon review, if the Executive Committee determines that there is a conflict of

interest, the director or employee is prohibited from participating in deliberations and

decisions regarding the transaction.

Form 990, Part VI, Section B, Line 15: The Foundation has a compensation policy which states

that Issaquah Schools Foundation will pay at the midpoint of the non-profit salary survey. We

benchmark against other non-profits achieving comparable revenue who do similar work. The Human

Resources Committee oversees the salary review annually with approval from the Executive

Committee.

Form 990, Part VI, Section C, Line 19: Issaquah Schools Foundation makes its governing

documents and conflict of interest policy available to the public by request. Our financial

statements are available online at [www.isfdn.org](http://www.isfdn.org) and are mailed to donors via an annual

Form 990, Part III, Line 4: The purpose of Kateri Brow Grants are big idea grants, awarded for programs that reflect vision and innovation in education. Front line employees like teachers and principals are best at both identifying problems and developing grass roots and practical solutions. The foundation partners with them to first fund these grants, and if proven valuable to student learning, replicate these solutions across the District. Last year, the Foundation gave \$48,533 to fund seven grants, with most grants having multi-year impact. Pre-K Summer School provided 120 students from every school in the district at three sites with 4 weeks of intensive pre-school instruction. These students were identified during the Kindergarten Round-up process as being the "least ready" among their peers to start Kindergarten. In addition to learning numbers, colors, letters and sounds, students also learned critical classroom behaviors which help facilitate a conducive learning environment for other students. Transportation was provided to ensure all students had access to this opportunity and 80% of parents attended during the last week of school to become acquainted with the school and the resources available to their students. Dedicated Fine Arts Fund Annual investment in Band, Orchestra, Choir, Drama and Visual Arts programs at every middle and high school in the Issaquah School District. Programs are funded on a 4 year rotational basis. Funds this year were used to purchase materials and technology to support visual arts at four high schools including ceramics, drawing, graphic design and digital photography. This investment enriches the education and lives of over 2,000 students, grades 6-12.
